## In Search of Mozart: Movie Night

In celebration of the birth of the great composer and performer Wolfgang Amadeus Mozart, the school recently showed as a fund raising event the movie 'In Search of Mozart'.

An excerpt from the movie dustcover follows:

*'Without resorting to docu-drama or visual re-enactment, **In Search of Mozart** traces the composer's life through his music and extensive correspondence. From K1a to K626 (Requiem), over 80 works are featured in*

*chronological order, revealing striking parallels between the music and Mozart's own experiences. Throughout, it's the music that takes centre stage, with the jigsaw of Mozart's life fitting around it. His letters reveal an extraordinary personal voice, which rings out on an engaging, human level, full of joy, passion, pain, rage, jokes, bawdy humour and sensitivity. With rigorous analysis from musicologists and experts such as Jonathan Miller, Cliff Eisen, Nicholas Till, Bayan Northcott and the late Stanley Sadie, a new, vivid impression of the composer emerges. It dispels the many common myths about Mozart's genius, health, relationships, death and character, to present a new image.'*

The night was a great success, with approximately 50 people attending. On arrival students and their friends were greeted with a live violin performance of some of Mozart's works from two upcoming stars, **Katherine Kruger** and **Rebecca Hooper**, both currently studying music at UWA.

A total of approximately \$700.00 was raised towards the Building Fund. Thanks to all those who helped with the organization of the event.

## Sanskrit Exams

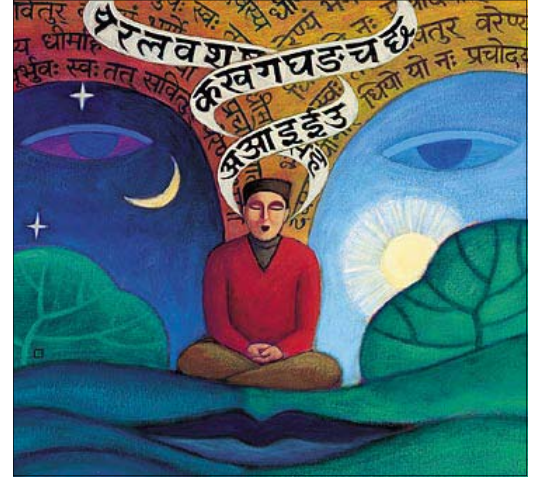

This May saw 6 students from the school sit for their OCR Basic Level Sanskrit Exams. These exams are held each year in May all around the world and anyone can sit them. The Basic Level is designed to test a curriculum set for school students aged 12 to 13 years old. Following this exam students progress with the study to Intermediate and then the Higher Level, before sitting pre university exams AS and A (equivalent to our Years 11 and 12 and held in June each year).

In addition to the 6 students sitting the Basic exam, one of our Sanskrit Students will be sitting the AS Level Sanskrit Exam in June.

Congratulations to all those who sat or are yet to sit this year's exams. It is a major achievement and you've all worked hard, so well done.

Sanskrit classes have been held in the School for many years with a number of students sitting exams each year. Students are offered a taste of the subject at an Introduction Workshop at the annual Cultural Day each year. Each term a Sanskrit Weekend is held and new students are invited to attend from time to time. At present groups meet on Tuesday, Saturday and Sunday mornings from 6am.

If you would like more information about joining a group or attending either the study weekend or the Cultural Day please speak to your tutor or Mrs Dianne Kruger.
